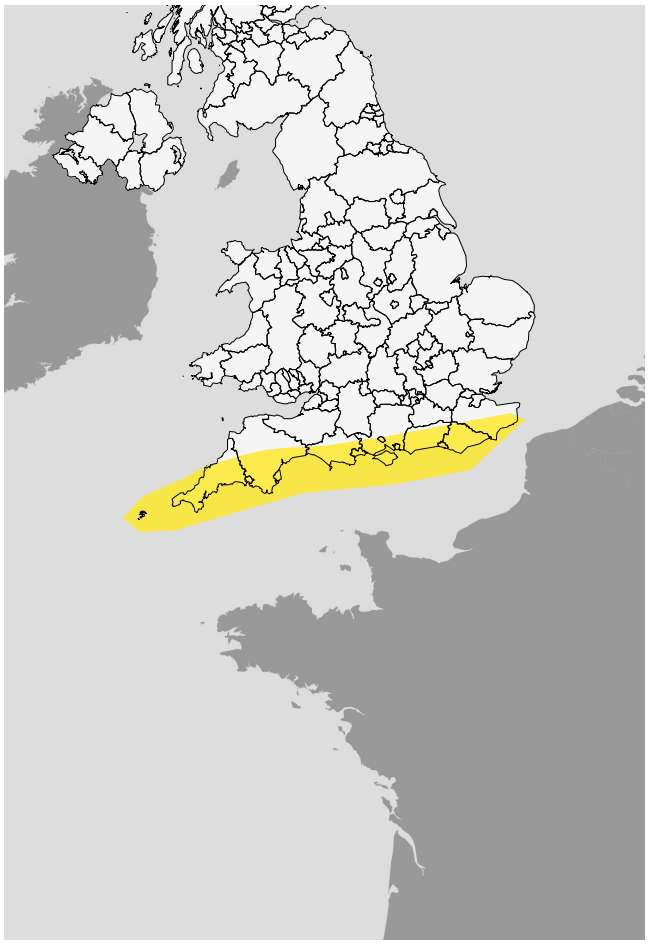
Yellow warning
Wind

Between
15:00 Fri 23 Jul 2021 and
23:59 Fri 23 Jul 2021



Strong and gusty winds will develop through the afternoon and evening and may lead to some disruption, particularly for holiday-makers.

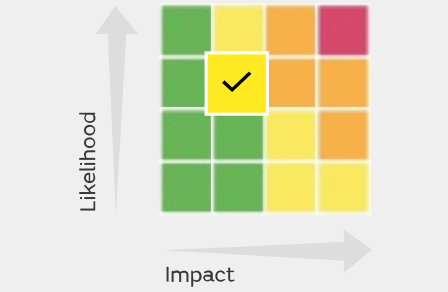
What to expect

- Delays for high-sided vehicles on exposed routes and bridges likely
- Some tricky driving conditions for those towing caravans, and possible delays to ferry transport
- Some coastal routes, sea fronts and coastal communities may be affected by spray and/or large waves
- Some damage may be caused to temporary summer structures

Further details

Strong, gusty east to northeasterly winds will develop through the afternoon and evening ahead of an area of thunderstorms.

Some places may see gusts of 45 to 55 mph, especially along exposed coasts and near and over hills. This may lead to tricky driving conditions, for example for vehicles towing caravans, and cause some disruption, for example at camp sites.



Medium likelihood of low impacts
